This is the beautiful quilt that MaryAnn made for my daughter. She spent many hours on this and we will always cherish it.

“ *Mary Ann was a true friend and was like a grand mom to my young children when we were neighbors in Surfside Beach. MaryAnn loved to garden and she taught me about the many beautiful plants in her yard. She was always willing to share her young plants with me and my kids enjoyed visiting her and Ed. She always made something special for my kids at Christmas and on their birthdays. Both of my kids have beautiful baby blankets that "Mimi" made them. My son loved his so much he used it until he was a teenager and one side had fallen off! I will always remember my walks on the beach with MaryAnn and the dogs and how we compared all of the seashells we had found. We would meet us for walks through the neighborhood and MaryAnn always had treats for the local dogs. My daughter had just taken out her quilt that "Mimi" made her and was showing her friends, she is 16 now. We have since moved to CA and had not talked to MaryAnn in a long time but she was never far from our hearts. We will miss you "Mimi" and you will always have a special place in our hearts! Thank you for all of the time you spent with me when my kids were little and the time you invested in their lives, it will never be forgotten! We look forward to seeing you in Heaven! - Kim, Will, Zack and Katelyn Stewart*

“ *My sincere condolences to the family on the loss of your loved one. True comfort comes by drawing close to God (Psalms 83:18) in prayers so He (God) can draw close to you. (James 4:8).*
