“ *It was my pleasure to know Patty in high school and to reconnect with her on Facebook. From what I have observed, she was generous, loving, kind, and giving of herself and her resources. Lee's Inlet Kitchen was the place to eat for fresh seafood. My favorite was their hush puppies. I will miss Patty.* ”

*My condolences to her family.*

“ *Patty Lee was my 'common sense' sister; the only sibling I ever had! Although I did not have the grand opportunity of knowing her as long as some of her other friends, she quickly became my VERY BEST FRIEND IN ALL THE WORLD. Patty Lee had a twinkle in her eyes, despite whatever pain she was going through. She gave me love, warmth, kindness, and the knowledge I so desperately needed. My sympathies and empathies are with her nuclear and extended family and plethora of friends. MY WORLD IS QUITE DIMINISHED WITHOUT HER. Yet, I know that I will see her again--maybe sooner rather than later. From My Lips to God's Ears--LORD, PLEASE TELL PATTY LEE I WILL ALWAYS LOVE HER AND NO ONE CAN EVER REPLACE HER!*

“ Bob, Wayne, Lee, Kathryn, Sis and extended family,

*I was so sadden to hear of Patty's passing. She was a beautiful lady with southern class. I know you will miss her but the precious memories and her love will remain with you forever. My cherished memory, among many, was her thoughtfulness of others. May God's peace and loving spirit comfort you in the days ahead.*

*Love you all,

*We don't have the pleasure or luck to come across a friend that from the moment you meet, well, its like you had known each other your whole lives. Patty was that kind of friend. She brought laughter and happiness to whomever she came in touch with. Patty, my heart breaks and I am so lost without you. Love You! Beth*
