“ Margo will truly be missed by everyone who knew her. She was a person who loved to have fun. One of her many talents was to make others laugh and happy. She loved her family and loved God. Margo wanted to make all of her nieces and nephews love her and think that "she was the greatest", and they did! Her family will always remember the love that she shared with us and wish that we could still have her here being the life of every get-together. She had a special place in our hearts and only God can help us to repair the pain we feel by losing her on this earth. Margo was not born my sister but my heart called her sister. I love you Margo and will miss our many long talks about life and things as simple as a new recipe, but I know that you are in a much better place now sitting by God and Jesus' feet. Your many wonderful and fun memories will always be in our hearts.##imported-begin##Lisa, Sister in Christ##imported-end##
