“ Dear Mauro family,
I am so sorry for your loss. I haven't seen any of you for many years, but our families are forever connected in my heart. When I was a child, sitting in my Grandfather's kitchen with Mae, Mary would sometimes stop in. To me she was a vision of beauty. She was everything I wanted to be when I grew up. I would just be in awe as I watched her and listened to the conversation between her and her mother. She remains this way in my mind forever.
