“ As a little girl I always thought Aunt Vee was beautiful. She liked talking about makeup , fashion, or even boys. She always made you smile. And always made you feel better about yourself. I always loved to hear her talk and laugh.

“ I loved your mom so much. Our moms shared such a special relationship and were like sisters. They shared so much together throughout life. As young girls they loved to dress up pretty and take pictures of each other. They both passed within a few days (May 1 & May 5) plus 10 years. They are together again and I'm sure with welcome arms. I will always remember your mom's smile and laugh. Over the years she sent me sweet thoughtful gifts and I will always treasure them....pretty clock decorated with Violets (just like my mom's name), doll dressed up pretty like the days she and mom dressed up together, a pretty music box and picture from Holland. Such wonderful memories of our family visits together and the love she had for you and extended family. She will be greatly missed. So sorry for your loss. Love, Debbie Veres Hollingsworth
