“ To Mama Sue's family, Heaven has gained a very special Angel. If Love is all you need, then Mama Sue was the richest woman in the world. She loved you all so much and I know that love was returned. I loved how tickled she'd get sharing how one of you had teased her. I will miss her texting me and sharing photos and news of her family. May that great love continue to flow. Our deepest condolences to all of you. We love you all 💕

“ *Mama Sue was a sweet and gentle soul. She cared for all, and was an unselfish person. I will miss her quiet wit, the peace that seemed to envelop you when in her presence, her sweet laugh, her quiet, but strong friendship and her gentle being. She definitely was an angel here on earth. Every grandchild will miss being rocked by her. I will miss seeing her rock a child. Rest easy, Mama Sue. You deserve a special place at the hand of our Lord. With love, always,*
