“ I have many fond memories with Mary. She talked me into getting my ears pierced back in the day. Went with me and had hers done too. I remember sitting on the front stoop of Mary Alice and my apartment back in 1973 with her just chatting and then panicking when the wind blew the door shut and we were locked out. If I remember right, we has to break a window to get back in the house. Remember like it was yesterday.

My deepest condolences go to Cosmo and his children and grandchildren. She will be deeply missed.
