“ Knew Mary through Rotary when she managed at Jones Cable, then Time Warner. Few years went by, Barb & I found her wallet at the Murrells Inlet Cinema, she was so grateful to get it back. Knew her when she managed New York Prime. We always called each other for advice. My last visit with Mary was last November. We will truly miss her friendship and hospitality. Our condolences to her family.

“ *Mary and I were classmates and friends, especially during elementary school. I fondly remember spending the night with her loving family once. Her mother was so sweet and her sisters were lots of fun. I returned home with a precious kitten from them. Mary and I lost touch, but I did see her about ten years ago and we enjoyed recalling old times. She was a very sweet person, and I feel honored to have been her friend.*
