“ I am Mary's first and oldest niece! She has always been so precious to me! A cute and sweet story comes to mind I will share. When Mary was in high school and taking Home Economics, I was approximately 4 or 5 years old. Her class had to sew a dress. So Mary sewed a yellow dress with a tie sash for me! When her project was due, I spent the night with her and my grandparents in Brittons Neck. We got on the school bus together and I was proudly wearing my yellow dress and went to school with her that entire day. I'm sure I thought I was grown! lol.... Obviously I didn't remember the details but they were told to me over the years. I will cherish that and many other memories of my Aunt Mary! I loved her dearly and she will be missed!
