“Jo and I have been close friends since the passing of "Jim" first through Church and after during her residence at Palmetto. We talked almost every day and I will miss her dearly. My deepest heartfelt sympathy goes to her loving family. I know that Jo is in heaven and loving every minute as she was called by our Lord Jesus. I will always treasure her friendship and love. “ Aunt Jo and Uncle Jim were so very dear to the Young family, always very positive and supportive. Each time we visited them was pure joy and happiness. Too many wonderful memories to count, may their memory be a blessing.
