“ Oh Scratchy,

I could write a book filled with memories I have with you, my first friend, my polar opposite, my dance partner, the Scratch to my Itch. We just knew we were going to grow up, change our names and be famous for... well, I don't really think we ever figured that out... but we had dreams! Oh how I wish we could go back. If just for one day. We could turn on some Ace of Base eat dozens of E.L. Fudge cookies (I'll eat the cookies, you can have all the cream) We could make up a new dance and I'd even let you push me so high I'd flip out of the hammock. You had a spirit so bright you illuminated mine. I love you so much, Scratchy. You always have and you always will be carried in the deepest part of my heart, where we will always be those little girls with big dreams and carefree spirits.

I love you I love you I love you -❤️- Itchy

To Danny, Karen, Louis and family. I wish there were words that could be said to take this pain away. Please know you are all in mine and my family's prayers. I am here if you need anything at all. I love you guys so much ❤️🙏
