“ Mrs. Stanford and her husband were clients of mine for several years here in Aynor. Both were very friendly and I enjoyed having small conversation with them when they would stop by the office for business. I was saddened to hear of her passing, but happy in the fact that she is in a much better place. My condolences to the family.

“ Aunt Beth was such a loving and welcoming person to me, especially when I first married into the Stanford family, almost 30 years ago now. She loved and cared for my children as her own. I will always have a special place in my heart for her.
