“ *My grandma and mom all in one. I love you so much. I know you are walking with Jesus and rejoicing. Everytime i see a garden it reminds me of when you used to wake me up around 6:00 a.m. and tell to its time to go hoe the garden. Back then it seemed to much like work but now i would love to be out in the garden picking butter beans and okra with you. Love you so much and you will always be in my heart. Love your grand daughter/ daughter.*
