“ *I always loved my first cousin Marie. She kept a check on my husband Ronald, as well as myself. Our families, as well as the other cousins families, would gather, on Sunday afternoons, at our Grandma Manerva's, and Aunt Eva's home. The parents would enjoy each others visit, and us kids would play outside.. We all got to know each other very well, loving to be together. I remember the adirondack chairs, under the 2 small pines, that would hold several of us at one time. Also another treasured memory was at cousin Madaline's home, when us cousins played "roll over", roll over, throwing the ball over her parents home, to the other group, on the other side of the house. I have many fond memories of Marie's family, as they were a very loving family. My heart goes out to all of the family during these trying times. Much love, Bonnie T Boyd*
