“ I met your mother when I was pregnant with Amanda. I would go for my check ups during my planning period, and Mrs. Frankie would always make sure I walked back immediately, so I could get back to school within an hour. I adored her. Her smile would light up your day! I also had the pleasure of teaching Matt and Ellen. Their behavior in school reflected the values they learned at home from two wonderful parents. I loved your Mother. My thoughts are with you both, and I am so sorry.
