“ Becky, what I will remember most about Mason is her feisty (yet kind) spirit that she showed to everyone each time I saw her. Hearing her call my name and turning to see her smile always brightened my day! I know you're a proud mama! Please let me know if there is anything you need, and I'm sorry I won't be there to attend her services. - Tiombe

“ My most heartfelt memories of Mason was her joy of learning and desire to be in school. She came to school even in the mist of medical challenges, and weekend procedures. She always came with such a positive attitude. She inspired us, and was loved by all. She wanted to be in school each day and be around her peers. She had a great sense of humor and she was bright angel here at the Park. I remember counting the nomination for valentine king and queen. It was obvious that she had truly won the hearts of her classmate. She was simply beautiful that night ! She shared with me that being valentine queen was her fondest memory of middle school. My prayers go out to her family. You have her the love and support her, now she is in his care .It was an honor to be her counselor and friend. Today and always, I will cherish our time together. God bless and keep you.

“ I didn't know you, but I know two people who loved you very, very much. I know from the love that they had for you, that you were a wonderful person who was full of life. I am so sorry that you had to be in pain for so long. I am happy that you feel no more pain and will never have to live life the way you did again. Rest in peace, Mason.
