“ *Dear Art and Beverly,
We had no idea your parents had settled in the Murrells Inlet area. I saw the name Marubbio and checked it because it listed St Mary's, Florida. We are so sorry for your loss, Art. We hope the wonderful memories of your beloved mother will sustain you in the coming days.*

We are also sorry to have lost touch with you over the years. If you should ever travel up to the DC area, please look us up. We would love to see you.
