“ Matt, I have no idea where to start. You were the best man I was grateful enough to ever come to know. Every time I ever needed a strong hand, there yours were with arms wide open with the most gentle touch. I can't even begin to describe the emptiness of my heart for your family. You have taken a great piece of heart with you and I hope you keep it until I'm fortunate to see you again. I love you matthew Allen sarvis. And I always have and always will. You are defiantly one hell of a boy scout. Your daddy did well. I have so many regrets I know that doesn't change anything now. You have taught me one thing and that is to never hold a grudge and to love with the deepest part of your heart. I wish I could go back and I've I ever had the chance to do it I would take my last breath and give it to you if it meant you could be on earth to be the big Matt everyone loves. I love you so much and I'll never forget you. I'll never forget any of our memories. They were the most precious ones I have ever made. You are a great soul and I just know the Lord has a whole gigantic plan for you. One that was bigger than we have ever dreamed. I love you so much and I'll carry you with me until the day comes to where I'll see you again. You are truly the purest heart I have ever known and no-one or nothing will ever change that. I know your here with me somewhere watching over me. I keep looking at your pictures and posts and it's so hard to believe. I keep waiting on someone to say it's a sick joke but I know the reality. I would be selfish to keep wishing you back here to the place that caused me to lose you. You are one hell of a man and all the men in horry county could never even amount to a follicle on your beautiful scalp. I WILL see you again, just plan for eternity matthew .

Love forever and always
