“ Sorry Mattie. Just found this a few minutes ago and told Truluck. He didn't know either. Your picture brought back so many memories of time past. Rest easy sweet girl. We will laugh together again one day in Heaven. Prayers for your family. Because God is so wonderful , he will give your family the strength to carry on. Bye Mattie until we meet again. “ Mattie was such a sweet and tender hearted. She was a blessing to the neighborhood. I didn't know her well but enough that she always shared a smile and a conversation. She will be missed.

“ *May God bless each of you during the loss of your family member and one of my dearest and loved friends (Pat) as I knew her. What a wonderful friend she was to me and those who knew and loved her. Pat, I will never find another friend like you and I am so thankful for the times God allowed us to work and just spend time together.*
