“ *Life is but a stopping place, a pause along the road to sweet eternity,
WE all have different Journeys
Different path along the way
WE all were meant to learn somethings
But never meant to stay
Our destination is a place
Far greater than we know
For some the journeys quicker
For some the journeys slow
And when the journey finally end
We'll clam a great reward
And find a everlasting peace
Together with the Lord
Rest in Peace Moe
