“ I am sorry to hear of Maureen’s passing. I worked with Gene at Surfside and he worked with my dad at HCPD. I didn’t know Maureen as well as I knew Gene but his whole face would light up every time he spoke of her, which was often. I met her a few times, and her doggies which she loved so much. She was always such a sweet person anytime I had the opportunity to see or speak with her. My prayers are with your family and find strength in knowing she and Gene are once again dancing, this time in the heavens. They certainly left a positive footprint on this side of heaven, here’s to them in a brand new beginning on the other side.

Maureen was amazing lady. I remember her watching me while my parents were at work. May she rest in peace and the family find peace in the days ahead
