“ First I want to say how sorry I am for the loss of this precious woman, your mother. There are no words that could make one feel better. I've known Max for 30+ years. Even though we didn't see each other often, she was thought of and we spoke as often as possible since our lives went in different directions. We shared a lot of laughter together, and some hard times too. i will forever remember our rotten egg story, I'm sure she's told you about it, and probably many others. She was there when my daughter was born. What a great friend. Her presence will be missed, and her memories will never be forgotten. Praying for comfort from our loving Saviour Jesus Christ, at this time of sorrow.
