“ Daniel, Michelle, Ethan and family, I've waited these few days to write this message, hoping I could think of something to help ease your pain, but that's why I'm not the miracle worker. Only God can help with that in time. I do know it's hard, with having lost someone close to me. I can tell you that you are very loved, and Melanie will always have a place in my heart. I've always felt that God gave her to you because you could see the blessing that she was, when others would not have been able. I will keep you all in my prayers.##imported-begin##Bonnie Galloway##imported-end##

“ The words in Melanie's memorial says it all. She was a special angel that God allowed on this earth. I can't begin to describe the difference she has made in our lives. She along with her parents and brother have been such a blessing to both of us. We will never forget the times that her smile melted our hearts, not to mention the way she would look up to us. We could always see love in her eyes. We are so thankful that our paths crossed with this special family and we can't wait to join little Melanie in Heaven.###imported-begin##JAMIE & SHARON SUGGS###imported-end##
