“ My heart is broken we have lost a truly amazing woman. She was a great teacher and only if I followed her direction and took my notes, It would have been so much easier, but

teengers seem to only learn the hard way. She was tough but she helped me build confidence and feel that if I stay focused I can accomplish anything.

Thank You MRS "O" I will miss you and always feel a piece of my heart is missing.

Ginger, Monica & Wesley I love you !!!

“ *Melanie was one of a kind. She ruled with an iron fist but you always knew where you stood with her. I can honestly say I am a better person because I had the opportunity to work with Mrs O for a long time. Rest easy my friend.*

So sorry to hear of Mel's passing. She was my mother's sister. Lots of love to her family.

Jeannie Johnson - January 28, 2021 at 07:26 AM

Jeanne and Linda, so sorry. I remember all the Stricklands as children, except your mom as she was a little older than the others. I do remember her in later years. I also remember when I was a child and we would ride by Bob's Grill at Red Hill and the smell in the air was so good with the food being cooked inside. I send my condolences to both of you and to Mel's immediate family. Vickie Johnson Cooper.

“ Miss Mellie - What a special person your were. I loved you as my mother loved you, but Mama went first. I know she is glad to see your beautiful face and share the love of our Lord and Savior Jesus. Gail and I will miss you something awful, but will remember how much we loved you and how much you help me from time to time. Rest in peace my "love" and know we will see you again. I will always love you special lady.
