“ God has not promised skies always blue,  
flower-strewn pathways all our lives through;  
God has not promised sun without rain, joy  
without sorrow, peace without pain. But God  
has promised strength for the day, rest for the  
labor, light for the way, grace for the trials, help from above,  
unfailing sympathy - undying love.

*Rest in peace, Melissa.*

“ What moves through us is silence, a quiet sadness, a longing for one day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye but little by little, we begin to remember not just that you died, but that you lived. That your life gave us memories too beautiful to forget! R.I.P. Missy Ann (Randy's nickname for her) We LOVE you! T&R
