“ Marinda, Debi and I were very sorry to hear about Mike. He was the only officer at the Moose that I trusted. He supported me working in the kitchen, and really tried to help me anyway he could, and I thanked him for that. We will truly miss him and we love you. If anything we can do please let us know. “ So sorry to hear about Mike or Mater as we all knew him. We grew up together working on cars and running around and attending school together, I miss all that and espically miss him. I'm sorry that we couldn't get together more in our adult lives, but I will always remember him for the kind person that he was. All that knew him will truly miss him.
