“Dear Senese Family, I just read about darling Michael's death. I was a volunteer many, many years, for the Little Redschool house camp. Michael was about 4/5 and we both fell in love with each other. He sat on my lap everyday, took a nap and then after knowing Michael, I knew what my life's work would be. We meet again many, many years later where I was his case manager at Maple Ridge. I later left and of course, did keep track for awhile and then Micael moved away. He was just the best and I know all who loved Michael will miss him. My thoughts and prayers are with you. Mary Lynn Hosner##imported-begin##Mary Lynn Hosner##imported-end##

“ Joyce, You may not remember me but I did work for Frank during his time with GE Silicones. I remember Michael well. Frank stopped by the office one day with Michael and introduced us. The next day when Frank came in he told me Michael - said to his Father - Dad she's pretty. How could I possibly forget him. My deepest sympathy to you and your family. It's not easy losing one of your children. It happend in our family. My brothers daughter was 21. You grieve more over the young people.
