“ *Michael was a friend from the moment I met him in 2018 at his insurance office. We had similar qualities, insurance back ground, entrepreneurial ambition and dreams of success. I'll never forget his eagerness to better himself and his business. I've never been a big Marvel fan but he described (in great detail) the 'Super Heroes' that he wanted to mold. His leadership and passion are now a part of the legacy he leaves behind. I was one of the lucky ones, a customer AND a friend.*

*Gone too soon and forever remembered...  
RIP Michael Baker ❤️*
