“ Of course, those of us within the Firm knew that Mike’s passing was forthcoming, and it was a blessing to tell him directly how much respect we had for him. Mike was the ultimate professional; he was personable, knowledgeable, and efficient. The clients who worked with him were always extremely pleased. It was a real blessing to see how he handled this last chapter of his life; he was comfortable about where he was going, and he went about making end times decisions with his normal efficiencies.

Mike’s presence here at Smith Sapp has been missed for some time now, but we all are very glad for him that he had his retirement years to relax and enjoy his family.

Thanks be to God that Mike is now with you, and that we will meet again!

“ I extend my deepest condolences to all family and friends. To Mrs Linda Bookhout I send my love, respect, and admiration aswell as sympathy. I pray Jesus cradles you in his loving arms and gives you peace that will see you through this most sad time in your life. I once again want to thank you for the help and caring that you gave me and my daughter April who was your student for second and third grades at Myrtle Beach. Loosing a husband and father is a most difficult thing. But you already knew and was of much comfort to an 8 year old and a grieving mother. Again, you have my deepest condolences and Christian love.

May God bless you.

“ To Mike’s family, I send my most sincere condolences to each one of you. I was so surprised to see his name in the obituary column this morning. I have known him for many, many years. I worked for a company in Myrtle Beach and Mike Bookhout was the CPA that did our audits and was always available to assist us in every way possible, whether it be in meetings at his office, or coming over to ours. I can still hear his voice. He was very smart and just a good person. I was not aware he was sick and I am so very sorry he has passed. I will keep you in my prayers during this difficult time. Rest in Peace, Mike.
