

Michael Brant

June 20, 1957 - June 30, 2025

Conway...

Michael Brant, 68, passed away peacefully at home on Monday, June 30, 2025 after a more than 5 year battle with cancer. He was born on June 20, 1957, in Red Bank, New Jersey, to parents Robert and Mary Brant.

Michael was a successful businessman, but his impact extended far beyond the professional world. Throughout his life, he wore many hats—leader, coach, sports enthusiast, father, Pop, and devoted husband. Above all, family was his greatest priority. He cherished every chance to spend time with—or proudly brag about—his children and five grandsons. Yet, it was his wife, Irene, who held the most special place in his heart. She was his favorite person to create memories with, and their bond was the foundation of a life well-lived.

Michael is survived by his wife Irene; son, Michael (Jenette) Brant; daughter, Nicole (Scooter) Byars; grandchildren ; Ethan, Jayden, Bryson, Brooks, Bodin; sisters, Ellen Neely, Mary "Dee" Hayden, Sharon Abbott; brother, Richard Brant; and brother-in-law, William Kovacs.

He is preceded by his sister, Carleen Campbell; and brother Robert "Bobby" Brant, Jr.

A funeral service will be held at 4:00pm, on Saturday, July 12, 2025, in the Goldfinch Conway Chapel. A visitation will be held before the service from 3:00-3:45pm.

“ Many fond memories working for Mike at TYCO/SimplexGrinnell. He truly had a heart for people. He had a uniqueness about him as a leader, team builder, mentor, friend and a man who had great compassion for those in need. I especially remember when he arranged for us to assemble little red wagons for the children at St Jude while at a managers meeting in Memphis and when he had us assemble bicycles to give to underprivileged children at another meeting.
Mike brought me back out of retirement to work for him for an additional 5 years that were by far, the best 5 years of my career. He was 13years my junior but I nevertheless learned so much from not only from a business perspective but how to live life with integrity. Thank you Mike!
