“ I worked with Mike at station 17, he and I hit it off pretty quick. Mike trained me on driving truck 17 and the ladder operations. Mike was a great friend and a good firefighter. Mike was a great teacher, he knew that ladder truck inside and out and all working parts. I went to some of the car shows with him and helped you guys more to the lakes in Shrewsbury. I will miss Mike. You take care of yourself. God bless.

“ Sorry for your loss. I worked with Mike for many years. We had a few difficulties in those years but I always felt we were able to get along and be friends.

“ Lynda,

Mike and I were in the same fire station and on the same shift. We also worked together in Montgomery Wards (that's way back} as security. Well I always thought I was the weird, funny guy but Mike had me beat many times over. We had so many laughs over things that we did both in the fire station and at Wards.

I have always remembered some of these times and the things that we did. Mike was a great friend and will not be forgotten.

“ Lynda,
We were saddened to hear of Mick's passing. It brought back so many memories of time spent at your first place in Towanda. Mick could always make you smile no matter how bad things were but he also had a serious side . He was a friend to everyone and would always listen to and help a friend.

“ Deepest Condolences Lynda and family. Mick was a fun loving class of '62 high school classmate and co-worker at Silco's on Main Street. One fond memory is that each Easter that we worked there, we were in charge of keeping the baby colored chicks inside the chicken wire frame they provided for us. It was a thing to behold...we spent hours chasing those chicks from one end of the store to the other....good times....

“ So sorry to hear of Mike's passing, it was truly a surprise. One of my really great memories of living in Conway/Myrtle Beach was the weekly poker nights with Mike, it was great fun with a lot of stories and bantering back and forth. Our thoughts and prayers are with you Lynda.

“ *Mike was truly a amazing person. His wit was one of his best features, you could come at him with the most random thing and he would pop right back at you and have ya both laughing. Very sweet kind gentle and supportive. We called him "Magic Mike" for a reason. the world suffered a real loss but he walks among the angels now*
