“ Don't worry, Mike - I will DEFINITELY be voting for Trump !! I went to a rally and I'm on the Trump train !! I will miss your laugh and your sense of humor - I will miss sitting at the bar with you solving the world's problems ... We had it fixed a few times! I can't thank you enough for the nice work you did in my last house, too ! You were a talented individual!! Mike, we'll do our best to help LuLu if/when she needs us, but she's pretty darned tough already!! I will miss you, but we'll all meet up again one day - so not goodbye but see you later.
