“ *Dear Crista, Zane and Zoe,*

Words cannot express how our hearts ache for you in this time of loss. The things I remember most about Mike were his faith in God, his love for his family, his openness / modesty and his infectious smile.

I thank God for allowing our families paths to cross and the memories of our times together sitting on our decks and together in worship and fellowship ... they are forever etched on our hearts.

“ *Christa, Zane and Zoe,
I am sitting here in shock that such a wonderful person such as Mike was taken away so quickly. We have missed you all being right next to the pool. Thomas and Holly enjoyed playing with you guys. I remember that they would come to your house sometimes when we would get the pool ready. You and Mike would always welcome them with such fun. Mike would help Kenton out with muscle at the pool. We first met because of Malichi wandering down to keep us company. I am so sad for you all. Kenton and I wish you peace and understanding in the days to come.*

“ I first met Crista Folk at the WalMart two years ago when she recognized me from Journey Church. As I do with most all of my new acquaintances, I asked if i could put her picture in my phone. She said i should also meet Mike and put both of them in my phone. She introduced me. I took his picture and put both of them in my phone. I asked Mike if he played golf. He said yes. Mike and I have played golf on a few occasions since then. He was a natural athelete at evey sport he tried. Bowling, baseball and golf. We of the "golfing persuasion" all miss you, Mike. We are here for your family. They are in good hands.

Mike has reached his final destination. We can only imagine what he is experiencing right now. What a happy day for him! Those he left behind are sad and heartbroken. My prayer for Crista, Zane, Zoey and Mike's parents is they find comfort in knowing Mike is happy and waiting for the day they will all be together again. Crista, Your faith and strength is above amazing. You are loved by many.
