# Tribute Wall

“ Nearly seven years since your passing and there still isn't a day that goes by that my heart doesn't hurt. You always used to talk about visiting Italy, and what it would be like to retire there. Now, I can only hope you would be happy resting eternally there in Amalfi and Sirmione. I miss you, Dad.

“ Today marks two years since you left me. I admit even now life feels bleak without your laughter and your wisdom. You were my best friend and my hero, I love you Dad.

“ *The last time I saw Michael in person was when we went to a concert for our favorite band, Faith No More. We've loved and worshipped this band for over 25 years and I found it very cool that we enjoyed one last experience together. Mike, I'll see you again my friend when the sidewalk ends. In your words, "taker easy"*
