“ Madelyn and Heath, I am saddened to hear of Mike's passing. However, I can't help but smile when I think of him. He was a great friend and mentor to so many of us who grew up around the CFD family. His charm and personality were infectious and he will be greatly missed.

*My Dearest Aunt Madelyn, children and grand children,*

*My heart is hurting in the loss of my dear uncle Mike. He will forever be remembered as the kind, wonderful, funny man he was!! In the days of our childhood, his children (my cousins), cousin Thomas, Sheila, my brother, sister and myself; he was always doing something to make us laugh and I know he really got a kick out of it! He would take the time to play outside with us, always pulling some prank! One special time was when he hid in the field with tall grass, across the street from my grandparents in Conway, He would scare the living daylights out of us! But, we had fun, lots of fun! I miss those days, all the time. I was unable to come home for the funeral (I live in Massachusetts), but he was and will always be in my thoughts and memory! I was home just one week prior to his passing and I am so glad I went to see him while there. I guess you could say that was my last goodbye! Rest in peace, Uncle Mike, I love you and will forever miss you!*

*Your Niece,*
