“ Mike was a man of integrity with his family, God, Bible, Church, friends and piano. I was always joking with him telling him, Mike hit the piano keys really hard. When somebody told him something about the Bible, he always said show me where it is in the Bible. He knew the Bible as good as the piano. I will miss him. In our home church, he never missed a day. He loves the song "When we All Get To Heaven". My condolences to his family.

“*After a church member's funeral Mike and I happened to stop at the same restaurant, shared a meal and talked for hours, catching up. He had always been so kind to my 97 year old dad and it was a blessing to have him sing at his funeral. He had a passion for his family, music, the outdoors and especially his Lord and and Savior. Rest peacefully, my friend, until that glorious resurrection day!*”

“ As I visited Myrtle Beach SDA church while on vacation before relocating from Virginia, Mike was sharing his music ministry with the church on 62nd Avenue. He had an exceptional talent of playing music by ear and memory as he also could recite much of the Bible from memory. My thoughts and prayers go to Mike's family as they face this loss. He was so proud of his children and grandchildren. Mike will be missed but we cherish God's promise of the Second Coming and the resurrection morning when we will be joined with family and friends. May Mike rest peacefully now as we await our Savior's return!

“ I met Mike Hill years ago. We hung out a lot together and we played music together some too in church and more. I sold Mike a truck at Brown Pontiac Buick I think the last time I saw him. I felt Mike was one of the best friends I ever had. I knew his brother Dale too. I remember when Dale passed. I loved these guys. I don't know how or why we lost contact for so long. But I thought of Mike often. RIP my friend! Hope you know I cared! Your old friend Kenny Jordan!

“ My husband, Pastor Ken Crawley, and i got to know Mike while at the Myrtle Beach Seventh-day Adventist Church. We loved his gentle spirit, love for the Lord, and his amazing talent. What worshipping we did when Mike's fingers tickled the ivories and he raised his voice in praise! He was always ready and willing to play at a moment's notice if needed, He will be sorely missed. Our thoughts and prayers are with his beloved family. Looking forward to singing with our brother Mike in the heavenly choir!

“ I got to know Mike about six years ago. He played piano and sang gospel songs in our church. Mike would share stories during the fellowship meals. It wasn't until about 2 years ago my family and I really got to know him better. Mike has a heart and love for the Lord with great passion. He often expressed his love for his family during our praise and prayer hour. Mike loved talking about his children and grandchildren. He enjoyed the times he got to be with them. He always asked us to pray for them when they needed it. Mike rarely asked us to pray for him. My husband and I talked with him in the last month. We knew Mike was not well. We prayed and we wanted him to know that he was loved. I know he felt loved by his family and his friends. He told us he loved us too. I am very sad and I will miss him. He sang when we all get to Heaven what a glorious day that will be. I will see you again my friend, my brother in Christ. On that beautiful shore. ~~Vernice Godoy~~

“ Most will comment on Mike's amazing ability on the piano, which was definitely a gift, but my memories are of him sharing with me how much he loved his children and grandchildren and that he prayed for them all the time. How he could quote scripture and knew his Bible. His many stories of his adventures out in nature. See you on resurrection morning, Mike.
