“ 4 years in Mckinley High School . We made friends right away . Mike was one of the stars on Mckinley High school Basketball team . But. He was Different , Mike would make friends instantly Once you met him you would love him . A Big Heart with ability to make you laugh .

Remember one night Debbie and mike had a short lived breakup . We were out an about hangin out . He Loved Debbie very much .. He got word she wanted to talk to him , He was so happy that he took me home and went over to see Debbie . Soon After they were married .

I Was honored to stand up in their wedding .And to be a part of there family for years .As time goes on you loose touch. Mike and I had so much great times together . Thru School and the time after .. I could continue to write about Mike because there was soo much to tell about him. The memories live on in my heart .

Mike your gone way too soon . God Bless your soul in heaven and God give your family strength thru these difficult times .
