“ I remember when Mike worked with the children at Arran Lake they loved him!!! He was a big kid himself. I also remember when God called him into fulltime ministry and how he obeyed. Loved his smile and laughter and joy. Cant believe that you have gone home already to be with our Lord. This is not good bye but until we meet again. I know your dad was glad to welcome you home and one day all of your family will be with you again. Praying for the family as they grieve. Praying for comfort and strength in the days ahead. God Bless

Meanwhile, our love will continue with Tonya, the boys and your pups. We will have some date nights with Tonya on Fridays as you join us in your special way.
