“ *I am so truly saddened by this news. I remember meeting Scott when he was about 11 or 12 and thinking that he along with his other brothers was such a great kid. How they all made me laugh and made me really enjoy my time around them. I know that he will be greatly much more than greatly or any other word I could use missed by his family, friends, and his community. I send my thoughts and prayers to the Argabrite Families.###imported-begin##Wibb Enos###imported-end##*

“ I was so sorry to hear about Scott's passing. I knew Scott from his playing days for the Jackets. I am a good friend and neighbor to Rudy Marisa, and he had told me a few months ago about Scott's illness. Obviously, I was shocked and saddened to hear the news. I enjoyed watching Scott play basketball, in my opinion, he was probably the best all around player that Rudy had, after they entered Division III. I have no doubt that Scott would also have excelled on his NAIA teams. I was aware of where he was living, and that he was working and coaching in Horry County. Until recently, my sister lived near Socastee, so I was very familiar with that area. My son, Jeremy Smith, also knew Scott. He is a few years younger, but had met Scott while he was in Waynesburg. My deepest sympathies and condolences to you and all of your family and Scott's family during this difficult time. Sincerely, Jack Smith, Jr. Waynesburg, Pa.###imported-begin###Jack Smith, Jr.###imported-end##
