“ I am so sorry to hear of Mike's passing. We had planned to reconnect in the near future in Florence. Mike and I go back to our childhood living in east Florence. We experienced some crazy times together through all the years at Harlee, Poynor and McClenaghan schools. As tough as he could be, Mike was always kind, loving and caring to those less fortunate and needy. Mike was a man among men, always up to the challenge while always concerned about those he loved. I am proud to have been a friend and will never forget him and the good times we had together. Al Joye
