“ *I worked with Michael at the NMB movie theater around 1977 or 1978. He was the assistant manager and I worked the consession stand. He did a lot at the theater. So very sorry to learn of his passing. He was a pleasant person to work with.*”

*I am just now seeing this obituary- I also worked at the Ocean Cinema in NMB during the summer around the same time . I remember Mike to be a fun person- he worked the big projectors , I remember getting a tour from him. I normally worked at the concession stand. I am sorry to hear of his death.*
