“ I did not know Micheal, but I know his lovely wife, Deborah, and worked with her for many years. My prayers and deepest sympathy to her and her family during this time of sorrow. May it bring a measure of comfort and strength to know that others care so deeply and are here for you!

My prayers are with Mike's family. We were in the same high school graduating class. I haven't talk to him in years but have many good memories of him.
