“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as the comfort found in God's word the bible. Romans 5:12 says, "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ I had just met Michael a few weeks ago in Carolina Master Chorale and already I feel heartbroken at the loss. Michael was such a kind and gentle man and I will miss his smile and sense of humor that he shared. May God be with his Mom and Dad and his Children and Grandchildren during this difficult time. Michael I know you will be singing from on high when Master Chorale performs. Prayers to you all. Ron Carter-Fish

“ We kept the 7-11 in business on the island... along with a healthy supply of quarters for the donkey kong machine. We mastered big gulps and burritos when we weren't at band or baseball. Eventually, we retired our beach bikes and moved on to bigger and better things and the 7-11 disappeared with the rest of our island after the storm. A little more of my island upbringing died this past weekend. I will miss Mike and those long Summer days on the island. My thoughts and prayers are with you and yours during this time. I am glad that I got to grow up with Mike. He will be missed.- Fred Thompson

“ Growing up on the Isle of palms meant you knew everyone We all grew up together in scouts and in school. Michael was in band with us and we also hung out on the island. We all started driving and Michael, George Condon, Timmy Buckhannon and myself became the 4 amigos. Mike would drive his mustang and I would drive my monza and we would talk on the CB Radio. He was Flash and I was screaming eagle, since I had eagle Gt tires on the car lol. We had so much fun growing up on the IOP and what is strange is I was talking about him on Saturday with Tim and about how we all grew up. While life caused us to lose touch, his memories he created while we grew up are a dear part of my life and I cherish the time we had together. He will be missed

“ My prayers go out to his family, just take comfort that he will be a guardian Angel watching from above. We shared a lot of fun times in troop #34 on the island, creating a ton of great memories. I pray for strength for his family in this time of need.

“ *When we were young, our Grandma Warden gave us Socker-Boppers for Christmas. Socker-Boppers are inflatable boxing gloves. I was going to town punching at Mike, and being younger and smaller - I wasn't doing any damage. I guess Mike got tired of it, and gave me a right jab. I went flying backwards, and that was the end of the socker-boppers.*
