“ I remember Michele always had a smile on her face and would always ask me how I was doing and how things were going. I graduated High School with Michele in 1982 and in 2000, Michele's son, Josh, and my son Zack were on the Socastee Wrestling team. I remember how supportive Michele, Russell, and Shauna always were for my son as well as their own. Always words of encouragement and love coming from Michele:) I have fond memories of Michele in the SHS band, and again how she was always a "team" player. During the last 30 years we did lose contact for a while but had recently reconnected on facebook. I know she loved her family very very much and I know she was very loved and will be missed.
