“ One of the things I will ALWAYS remember about Shelly is her compassion for others and for me when I had absolutely NOTHING!!! She opened her doors to me when I had no where to go or no one else to turn too...she gave me a chance when no one else would give me the time of day!! We have laughed together and we have cried together..last time I saw her we hugged tight and she said how she was proud of me!! Will never ever forget what a difference she made in my life!!! I love you NOW and FOREVER...See you in Heaven my beautiful Soul Sister!!!
