“ I believe Jamie summed it up when saying, "he was one of the greatest men" they ever knew. He was! He was larger than life! The Myrtle Beach Speedway family has lost a tremendous member. And, as Sherri said, he's right there, in Heaven, along with Roy and my Dad, in their healthy, heavenly bodies; no more sickness. God Speed Mickey Steele!###imported-begin##Diana Johnson Saults###imported-end##

“ Mrs. Steele and Family, I just read about Mickey on the Myrtle Beach Speedway site. He was such an inspiration to so many people. Roy considered him a dear friend and told me about the meaningful talks they had during Roy's last days at the track. They discussed that the most important thing was to be ready to go. Praise God, they are both in a better place--no wheelchairs or Oxygen machines! May God comfort you as only He can during this difficult time.
