“ *My beautiful Millie "Gum Drops" you will sorely be missed. You brought so much love and happiness to all that met you. I fell in love with you the first time I met you and I'll always be thankful for you sharing you wonderful family with me.*

You are now with Henry and the rest of you family and friends that have gone before you.

I'm sure you went dancing all the way to those pearly gates and I can just see St. Peter

welcoming you to heaven with the warmest and widest smile.

Heaven now has a special angel among them who will fill heaven with wonderful music and dancing.

You have left us all so many warm and wonderful memories and I know I'll always have a smile or laughter when I think of you.

Love you Millie.

“ *Kim, I met your grandmother over 20 years ago, in the early nineties. She was always such a proper lady, but kind and very funny. Thank for allowing me to get to know her. I am sorry for your and your Mom's loss. Your mother took such good care of her. May she rest in peace*

“ *How truly blessed I feel to have known Millie Flynn. She was truly a very special lady in every sense of the word. She brought sunshine to everyone around her with her love of music and dancing. Everything was always so "lovely" to her and I will miss hearing her say this. My heart goes out to her family that she loved so very much but were so blessed to have her for ninety-seven years. She has left such loving and lasting memories for us to remember her by. She will be forever missed.*
