“ You were my favorite Aunt, Uncle Herbie my favorite Uncle. The last time I saw you was at Uncle Bobby's funeral in Colonial Heights. I remember your beautiful smiling face. I have tried looking for you both but now I will see you in heaven. May God watch over your family.

With forever love

“ Dear Herrman Family,

I would like to share my deepest condolences with the loss of Millie. Our family lived next door to the Herrman family for many years and we shared many good times together. My mom considered Millie her best friend through those years. Millie sent my sister, Kathy, a wonderful letter last year reminiscing about many good times that my family will always cherish. I know I speak for my family when I send our love to your family during this time of sadness.

“ I'm so sorry that 'Momma Millie' is gone and I will miss her very much. My prayers go out to all of you in the family--sorry I didn't make it there. Luckily I spoke with her by phone on Mother's Day weekend and we had a delightful, rambling conversation that I'll always treasure. I told her many of my fondest memories of spending time with Sue and the family revolve around Millie's terrific cooking--holidays, vacations, anniversaries, etc. I also enjoyed her sense of humor and remember how Sue and I could always crack her up with our silliness. She will be sorely missed in so many ways...

“ Though our friendship spanned only the past five years, she was a dear friend, and I will feel the void she has left in my life forever. Les and I treasure the many memories we have of Millie and her family. We send our love and healing wishes to Herb and the rest of the family.

“ *Prayers to all in the Family! My Childhood memories 40 years ago go back with the Herrman Famil. Mrs. Herrman came through my salon in Stafford about 3 years ago and I had not seen here in about 30 years and I said, "I know you from somewhere and she said "No, I am from S.C. and through conversation we figured it out we were neighbors in Alexandria Va. and I was Katie's friend. I am glad that I got to re-connect with Katie and the family and enjoy a cookout! My prayers to the whole Family I am sorry about your Loss.. Heaven has another Angell!*

“ *If you were going through a difficult time, Millie was there with a phone call to lift your spirits. Later would come the beautiful, witty letter saying everything will soon be better. In the meantime, just “keep on dancing”.*

She once wrote me, “May today there be peace within you. May you trust God that you are exactly where you are meant to be. I believe that friends are quiet angels who lift our feet when our wings have trouble remembering how to fly.”

*I loved her and will miss her.
