“ *I am so very sorry for the loss of this wonderful lady. Ms. Mildred was so present in my childhood I am not sure I would know where to begin. She made the best gingerbread men in the world. . She and my mom took John and I to school every other day from kindergarten at Lakewood until we finally got our own cars in the 12th grade. Everyday started with her. She always seemed to me such a content soul. She had a smile and a peace that just washed over you when you were around her. I know that today she is dancing mightily with Jesus. Rest in peace beautiful lady. We will miss you here.*
