“ *I became a caregiver for Mildred about 2 years ago but more importantly we became good friends. The more we got to know each other we found we had a lot in common. We both lost our husbands to lung cancer in 1997. we loved to work with flowers and plants and we loved to walk. My heart breaks at the loss of my friend. I am so Blessed that God brought her into my life and will always treasure the time we had together. My love and prayers to her wonderful family that they find comfort and peace in God's grace!*
